ROBERT MOMBER SOUND RECORDIST

ABOUT

- London based freelance location sound recordist.
- Seven years' experience in a range of production types including short film, documentary, corporate, promo, commercial, events, live web broadcast and music.
- Adept in concealed lavalier mic mounting, radio mic operation, boom operation, multichannel mixing/recording, timecode, music recording and field recording (e.g. car effects).
- Reliable and conscientious crew member with a fine attention to detail, striving to capture the highest quality audio while remaining aware of schedule pressures and showing initiative when faced with the varied challenges of filming environments.
- In addition to a broad range of location sound experience, a strong practical knowledge of camera and lighting was attained in previous role as staff sound recordist at facilities company Shoot HD, increasing general value as an asset on location.
- Owner of a comprehensive, high-end location sound kit, which can be adapted to suit the needs of any production.

PREVIOUS EMPLOYMENT & EDUCATION

- Shoot HD (2011-2016) - Staff sound recordist and rental manager
- Birmingham City University (2006-2009) - Music Technology BSc (Hons) - 2:1

EQUIPMENT

- Sound Devices 633 6-input mixer/10-track recorder, Lectrosonics SSM/SRc wideband radio mic systems, microphones by Schoeps, DPA, Sanken and Sennheiser and a wide array of accessories, cables and consumables.
- Accounts with location sound rental companies for any supplementary kit requirements.
